

PRESS
BUTTER
SAND™

BAKE was founded on April 16, 2013, and the company name was established in January 2018. The head office is located in Shibuya District, Tokyo. In February 2014, it launched the Bake cheese tart for the first time, which became popular in Japan. In September, the headquarters was moved to Meguro Ward, Tokyo. In June 2016, Bake Cheese Tower's first overseas flagship store was opened in Taiwan, and in December ZAKUZAKU Puffs also opened a trial operation in Taiwan. So far, overseas stores cover South Korea, Thailand, the United States and other countries, with a total of 44 branches opened. Its own brands include "BAKE CHEESE TART", "CROQUANT CHOU ZAKUZAKU", "RINGO", "PRESS BUTTER SAND" and other brands.

THE BRANDS

PRESS BUTTER SAND.™

"PRESS BUTTER SAND" is our company's first souvenir brand, which has always been characterized by careful production methods and industrial design that insists on small batches.

The outer cookie layer is baked using an original press, giving it a unique texture and aroma.

This product uses rich whipped cream made from fresh butter from Hokkaido and a creamy caramel sauce that melts in your mouth. It is sandwiched between two layers of biscuits. While retaining the original flavor of butter, we are constantly developing new flavors. So far, including limited-time products, we have released more than 20 different flavors.

Caramel Cream Sandwich Cookies Original flavor 5 pieces

The classic original caramel cream filling uses whipped cream as the base, and then adds fresh caramel sauce. The biscuits are crispy, the fillings are rich, and the taste is rich.

Original Caramel Cream Sandwich Cookies with two layers of filling, rich frosting and whipped caramel sauce sandwiched between crispy cookies. Using plenty of fresh butter allows one to enjoy the rich flavor and texture of the butter itself. The outer biscuit is baked using the Japanese confectionery method "Hasami-yaki". It is baked at high temperature and has a crispy texture.

Caramel Cream Sandwich Cookies Fukuoka strawberries 5 pieces Kyushu limited

Strawberry is a Kyushu-limited flavor. Fukuoka's famous Amao strawberries are used to make strawberry whipped cream, and strawberry caramel sauce is added to make the biscuit full of strawberry flavor. The biscuit is also made of strawberry pink, which is very girly. It also reminds people of the real fruit of Amanoh strawberry.

Caramel Cream Sandwich Cookies Uji Matcha 5 pieces Kansai limited

The Kansai-limited flavor is the famous Uji Matcha flavor in Kyoto. It is a classic Japanese flavor. The slight bitterness of the matcha is revealed with the sweetness of caramel, and the taste is refreshing and not greasy. The outer packaging is inspired by the unique light-shielding cultivation method of Uji Matcha. The color is navy blue and has the function of protecting and not destroying the flavor of Uji Matcha.

Caramel Cream Sandwich Cookies
Vanilla white chocolate 5 pieces
Hokkaido limited

The Hokkaido-only flavor is vanilla white chocolate. The whiteness of the white chocolate reminds us of the snow in Hokkaido. The vanilla white chocolate flavored whipped cream is as soft and fluffy as the snow in Hokkaido. It has the aroma of caramel and is slightly sweet in the cold.
